**2017-2018 ✨ Discipline Policy for Transfiguration Faith Formation
& Youth Ministry**

The Purpose of good classroom management is to provide an environment conducive to learning and experiencing our faith. Catechists have the right to teach and students have the right to learn. An extremely disruptive student interrupts the learning experience and upsets the class.

Students are expected to abide by these rules:

- 1. Follow the rules the catechists and students have come up with or agreed upon in each classroom.**
- 2. Show respect with your words and actions to everyone around you.**

Our Policy in handling disruptive students is as follows: First the catechist will discuss the situation with the student; on the second occurrence, the student will be sent to the Religious Ed./Youth Ministry office and will stay there and a parent will be notified. If a situation continues uncorrected, the Youth Minister or DRE will make an appointment with the parents and the student for a meeting to discuss the situation.

We have read and agree to follow the parish Discipline Policy.

TEACHING TOUCHING SAFETY FORM

Dear Parents,

The safety of your children is always uppermost in your mind. We have taken many additional steps in recent years to do our part in ensuring that your children will be in a safe place when they are participating in a program in Transfiguration. All of our staff and volunteers have received the required background checks and training. We have been implementing Teaching Touching Safety, a program to help your children recognize the steps they can take to keep themselves safe.

Feel free to check with us for an overview of the program.

Please return this form along with your registration. As always, if you have any questions, feel to contact me by email at jjshubs@hotmail.com

May our Lord bless you and your family.

Yours in Christ,

Jim Shubnell
Director of Religious Education
